

Name _____ Date _____

Savvy and Squander split into TWO teams with Emerald and Dr. E to save energy. Each team found TWO energy-saving tips during the contest. Complete the activities below about the number TWO.

Color the number 2.

Trace the number 2.

Write the number 2.

Circle the pictures that have TWO characters from the Watt Squad!

ACTIVITY

Name _____ Date _____

Dr. E and Savvy found the computer ON, but it should be OFF when not in use. Practice tracing and then writing the word "off." Great tip, team!

off off off off

They also found the refrigerator OPEN and it should be kept CLOSED. Practice tracing and then writing the word "close."

close close close

Emerald and Squander learned LED bulbs are best! Draw a lightbulb in the box.
